March 16, 2017

Dear Neighbor,

Unsightly litter in our community is discouraging, to say the least. The Pleasant Valley Town Board invites you to be part of the solution joining friends, co-workers, classmates, and neighbors -- anyone who wants to help, by signing up for our **SECOND ANNUAL EARTH DAY (2017)** litter clean-up to take place on Saturday, April 22nd. Last year's clean-up was a great success and set a wonderful example for the dozens of children participating in the event.

The schedule is as follows:

- 8:45^{AM} Meet behind the Town Hall [Cady Field]
- 9:00^{AM} Head to selected areas
- 12:00^{PM} Meet back at Cady Field for Hotdogs & Soda

When we all chip in, contributing just a little time and working together as a community, we will make a big difference.

Picking up unsightly litter that could end up in storm drains, waterways and Wappingers Creek has the added benefit of making our community pristine and more inviting to residents and visitors alike.

The greater the number of volunteers, the more litter we can remove from our streets and green spaces! Please help make a difference in our community by registering as an individual or as a group.

Please call 635-3598 or e-mail chalupke@pleasantvalley-ny.gov to register.

Thank you,

Mark E. Figliozzi
Supervisor
